This new heir to the \$2,000,000 estate of the moted—and it is now proving, most mysterious—politician, is the daughter of Mrs. Sarah G. Sullivan, the woman who is mentioned in one of the wills now on file. Her claim to a portion of the estate of her late father, it is said, is similar to that of Margaret Catherine. Both were given \$50,000 in policies of the Mutual Life Insurance Company in 1902.

Because no papers regarding the award for Sarah Sullivan have been filed, and in view of the reticence on the part of other relatives and friends, very little is known regarding any circumstances connected with the setting aside of the money for her welfare.

Attorney James L. Dowsey, who represents Mrs. Aida Sullivan Epstein, the young woman who lived at Suilivan between the young woman who lived at Suilivan's house for several years and always thought she was a daughter, admitted to-day that he knows where Mrs. Sarah G.
